

Welcome to West Morris Street Church!

If you're a first-time guest with us, we are so glad you're here. We invite you to take a moment to fill out the Connection Card found in the program. During the offering time, don't feel pressured to give. Please just place the Connection Card in the offering plates as they are passed through the rows. Following the service, I'd love to meet you at the front of the church—please come introduce yourself! I'll be happy to answer any questions you have and/or pray with you. You can also stop by the Welcome Center in the main lobby to get more information about our church.

MESSAGE

NEW YEAR, NEW YOU:

FINDING LIFE'S PURPOSE

PASTOR KRISTEN B. MARBLE

DOXOLOGY

BENEDICTION

Welcome to West Morris!

Good morning! We are so glad that you're here this morning.

Have you ever been in a place where it was unmistakable that "God was there"? If you were with us last week for our "Abundant Health" message, you probably walked away like I did, exclaiming, "God showed up!" Just as a reminder, if you ever miss a message, want to hear it again, or would like to share it with someone, you can always go

to westmorrischurch.podbean.com and click on any of the previous week's messages.

This week we finish out our "New Year - New You" series, focusing on finding purpose and meaning in life. If you've ever wondered, "What's the meaning of life?!" you're not alone. As we explore what God has to say about this important question, I pray you'll be encouraged.

Be sure to put these special events on your calendars. Sunday, February 11 is our regular Second Sunday Supper, combined with a special church-wide Society Meeting. Wednesday, February 14 is our monthly community dinner, but since it falls on Valentine's Day - and Ash Wednesday - we will be having a special meal, followed by a short worship service in the lower level. The dinner starts at 5:30 PM and the service will begin at 6:15 PM.

Finally, our upcoming sermon series during Lent (February 18 - March 25) will be "Hard Sayings of Scripture." *I need your help* in picking out the top six hard sayings of the Scripture to preach on. What have you always wondered about or struggled with from Scripture? What seems too hard to understand or follow? Jot down your ideas for "Hard Sayings of Scripture." on the red insert in today's program and put them in the offering plate! Need a little more time to think about it? Send me an email or text with your ideas anytime over the next couple weeks. Thanks for helping me plan my preaching!

God bless you this week. Please don't hesitate to let me know how I can serve you.
